Information Disclosure

Applicants note that two documents listed in a prior information disclosure were never made of record. Applicants accordingly submit them herewith along with a PTO/SB/8a form. Applicants recognize that information disclosures are not normally allowed after a final rejection; however, given that this is just a submission of material previously listed in an information disclosure and inadvertently omitted, Applicants respectfully submit that the Examiner can make the documents of record. Such action is accordingly respectfully requested. The pertinence of these two documents is set forth in the International Search report, a copy of which is also enclosed.

Respectfully submitted,
